

Ewing Morris & Co. is a value driven investment firm established in 2011. The firm manages equity and credit strategies with a focus on North American small and mid-cap companies. The firm is employee-owned and partners are invested alongside clients, accounting for around 20% of the firm's invested capital. The firm manages investments for individuals as well as charitable organizations, institutions, and corporations.

Strategy

The Dark Horse is a low net exposure North American long-short fund focused on small cap companies. This strategy is capital structure agnostic and seeks "equity-like" returns. The investment approach is to look for structural, nuanced or temporal inefficiencies, conduct deep research and pursue company involvement as a back-up plan. Investment opportunities are reviewed through a private market value lens.
